May 2003

California Department of Health Services

Office of Family Planning + Teen Pregnancy Prevention Programs

The California Department of Health Services, Office of Family Planning (OFP) is preparing to release a Request for Application (RFA) for Information and Education Programs. The goal of these programs is to reduce teen pregnancy through a range of strategies ranging from prevention education, community awareness and mobilization activities, service learning, mentoring, and linkages to clinical services.

The tentative release date for the RFA is June, 2003. The OFP will be conducting one Bidder's Conference in June in Sacramento. Information regarding the date, location, and time will be posted on the OFP website at www.dhs.ca.gov/ofp/. The contract period will be November 1, 2003 to June 30, 2006.

Entities interested in receiving a copy of the RFA should complete the attached form and mail it to the address below or fax it to (916) 657-1608. You may also request the RFA by e-mailing your request to ofpmailbox@dhs.ca.gov. If you choose to request the RFA via email, please be sure to include your name, address and phone number.
